

GRADE 4-6 CURRICULUM-LINKED EDUCATIONAL EVENT

This annual program is celebrating its 25th year! The program includes 9 hands-on interactive learning stations where students can discover more about local food sources and agriculture.

Grade 5 & 6 Classes (split grades 4/5 or 5/6) from Haldimand Schools are invited to attend this curriculum-rooted educational event. *Must be pre-registered*

Why Attend?

Engage your classroom students to think critically about agriculture and food topics

Curriculum rooted activity stations

Teachers will receive lesson plans and activities tailored to curriculum expectations

Stations this year include:

- Dairy
- Beef
- Veterinarian
- Chickens
- Whispering Hearts
- Sheep
- Organic vs Conventional
- Swine
- Soil & Crops

Date: September 23, 2021

Morning Session: 9:15 - 11:30 am

Afternoon Session: 12:15 - 2:30 pm

Location: Caledonia Fair Grounds

Classroom students will gain a respect for food production on the farm and the program will also reflect how important the Agri-food industry is to their personal health, their community and our nation's economy.

FREE ADMISSION

Pre-Registration Only

Register:

First come first serve basis as space is limited.

Email registration form to Henrietta Heeg
Email: henriettaheeg@gmail.com
Phone: 905-512-0799

COVID protocols will be followed
As per Haldimand-Norfolk Health Unit

We can help you meet classroom expectations!

The Haldimand-Norfolk Dairy Educator will visit each classroom either in person or virtually to prepare the students for their visit to Agstravaganza with an 80-minute (approx.) FREE curriculum-connected presentation.

Haldimand Agricultural Awareness Committee will be partnering with local farm groups to provide "hands-on" activities; farmers will discuss and demonstrate with live animals and plants.

Haldimand Agricultural Awareness Committee is a member of AgScape. A portion of resources and promotional pieces are brought to you by AgScape. For more information visit www.AgScape.ca
