PRESIDENT'S MESSAGE

Welcome to Caledonia Fair 2006

As the 134th Caledonia Fair fast approaches I, along with the many fair volunteers, hope this fair can be one of the events that starts to mend the large division between two communities that have relied on each other for generations.

With friendly competition from the baking of pies to the demolition derby, Caledonia Fair brings smiles to the faces of all the children and adults that participate. We have added new attractions and continue to renovate our grounds to make your visits more enjoyable.

The Caledonia Agricultural Society encourages you to invite friends and families that have never been to a country fair to come and enjoy a day at the Caledonia Fair. Make this an annual event.

The Directors earnestly hope that all exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is occasioned by protests of a frivolous nature.
19. In case an error occurs in the printing of the Prize List, the Directors have the power to rectify the same.
20. In case of insufficient funds, due to weather or other conditions, the Society reserves the right to pay only a percentage of the prizes awarded for exhibits.

CATTLE

GENERAL RULES FOR ALL BREEDS

All animals exhibited must be free of visible signs of infectious (animal to animal) or communicable (animal to human) disease.

If there is any question of the state of health of an animal brought to the attention of the executive of the Caledonia Agricultural Society, the exhibitor will be required, at his or her expense, to provide veterinary inspection to confirm the animal's state of good health. If it cannot be demonstrated, the exhibitor will be required to remove the animal(s) from the fairgrounds immediately.

DEFINITIONS

1. a EXHIBIT:
For the purpose of the Classifications an exhibit shall be interpreted as follows:
All registered animals, whether owned by one person or by more than one person (individually or jointly), are considered to be the production of the farm breeding unit on which they are maintained.
- b EXHIBITOR:
An exhibitor is any breeder or firm which presents animals for official placing by a judge at the time specified by the fair for judging.
- c BREEDING UNIT:
For the purposes of the Classifications a "Breeding Units" is defined as follows: In each classification where common interests are involved in more than one breeding operation such operations are considered as one Breeding Unit. In all cases where there is any doubt that more than one breeding unit exists, the interpretation shall be that only one breeding unit exists. The responsibility of proof of separation of breeding units shall rest with the exhibitor(s).
- d PUREBRED:
"Purebred" means an animal that is purebred of the breed as determined by the by-laws of an association authorized to register animals of that breed.
2. CHECKING OF EXHIBITS: Checking of exhibits is the responsibility of the fair. The fair will exclude ineligible animals and those not positively identified before judging. Proof of Ownership must be available upon request.
NOTE: Cattle must be in barns by 10:00 a.m. on the day that class is shown and must remain in the grounds until after 4:00 p.m. This rule will be strictly enforced. Exhibitors must supply their own straw
