PRESIDENT'S MESSAGE

Welcome to Caledonia Fair 2010

As we head into another decade at the Caledonia Fair, we are continuing to make improvements to our grounds & facilities. We have just completed a major overhaul to the lighting on the grounds thanks to a government grant & we still are planning to make major renovations to the exhibition hall. To continue this project we will need to enter into many fundraising projects. This is where we will need all our members to pitch in & assist in these events as they come along. Fundraising is no easy task, especially in these economic times but many hands make for less work for all involved, so we ask for your co-operation when you are called upon. Rome wasn't built in a day & neither will this arena renovation project!!

I ask you all to pray for good weather for this year's fair whose theme is "From Earth to Table" Good weather means two things, first we all have more fun & second we are in better financial standing, which is critical going forward. I look forward to working with all of you over the course of the year because the people make it a fun job!

If you have any ideas regarding fundraising or new events, please talk to me anytime.

Yours in the world of volunteering

Doug Murphy
