# PRESIDENTS' MESSAGE

Welcome to Caledonia Fair 2000

Our Agricultural Society Directors and Committee Members have been working hard to present to you the first fair of the new millennium. Agriculture was and still is our main focus. Where else can we bring together the rural and urban communities to taste, smell, hear and enjoy farm life up close.

Special thanks go out to all our exhibitors and fair friends for all your support at fair time and throughout the year.

Come and join us at the fair and experience "Agriculture Around the World" at Caledonia Fair 2000.

The Society will take all reasonable care of exhibits, but will not be responsible for any loss or damage. (Please note Hold Harmless Agreement on following page.)
- While every possible assistance will be most cheerfully given in placing exhibits, no package or case of any kind whatsoever will be opened unless accompanied by the exhibitor or someone sent specially in charge.
- 10. That all articles entered for competition must be entered in strict accordance with the Prize List in order to secure a prize, the exact number and quantity stated in the prize list being strictly adhered to.
- 11. No member will be allowed to make more than one entry in each case for Society Prizes with the same animal or article unless otherwise specified. - 18. All protests to be made in writing as soon as possible, so that the judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that all exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is occasioned by protests of a frivolous nature.
- 19. In case an error occurs in the printing of the Prize List, the Directors have the power to rectify the same.
- 20. In case of insufficient funds, due to weather or other conditions, the Society reserves the right to pay only a percentage of the prizes awarded for exhibits.

## GENERAL RULES FOR ALL BREEDS **DEFINITIONS**

# **EXHIBIT**

For the purpose of the Classifications an exhibit shall be interpreted as follows: All registered animals, whether owned by one person or by more than one person (individually or jointly), are considered to be the production of the farm breeding unit on which they are maintained.

EXHIBITOR

An exhibitor is any breeder or firm which presents animals for official placing by a judge at the time specified by the fair for judging.

BREEDING UNIT

For the purposes of the Classifications a "Breeding Units" is defined as follows: In each classification where common interests are involved in more than one breeding operation such operations are considered as one Breeding Unit. In all cases where there is any doubt that more than one breeding unit exists, the interpretation shall be that only one breeding unit exists. The responsibility of proof of separation of breeding units shall rest with the exhibitor(s). PUREBRED

"Purebred" means an animal that is purebred of the breed as determined by the by-laws of an association authorized to register animals of that breed.

#### CHECKING OF EXHIBITS 2.

Checking of exhibits is the responsibility of the fair. The fair will exclude ineligible animals and those not positively identified before judging. Proof of Ownership must be available upon request.

NOTE: Cattle must be in barns by 10:00 a.m. on the day that class is shown and must remain in the grounds until after 4:00 p.m. This rule will be strictly enforced.
