8. All produce to be the growth of parties exhibiting same.
9. No member will be allowed to make more than one entry in each case for Society Prizes with the same animal or article unless otherwise specified. This rule not to apply to animals in herds or pens, nor to special prizes offered by persons outside the Society, but to apply to all kinds of grains, seeds, flour, roots and vegetables, dairy products, domestic manufactures and horticultural products, in which additional specimens would necessarily be similar to the first.
10. None but manufacturers or their agents must exhibit agricultural machinery.
11. No entries to be removed from the Hall or Root and Vegetables Hall until 5 p.m. on the third day of the fair.
12. Every Animal, fowl, article, product or chattel exhibited must be the actual bona fide property and belong absolutely to the person or persons entering or exhibiting the same. In the case of every article, product or chattel exhibited, other than live stock, the said article, product or chattel must be of the actual production, growth or manufacture, as the case may be, of the person or persons owning or exhibiting the same, except specially mentioned in the list.
13. Every exhibitor of grain (clover seed excepted) is required to present an affidavit that his exhibit has been produced in 1941

20. No competitor will be entitled to a premium if the judges deem the stock or article unworthy of the same.

21. Any person interfering by conversation or otherwise, with the Judges until after judgment is passed, shall have no prize awarded him.

22. Judges will please sign and hand in their list of awards to the Secretary, and remain until their books have been signed by the Secretary, in order that cases of error or doubt may be more promptly and easily made right, and they are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in their department.

23. Any exhibitor or interested person making a protest will be required to make a deposit of \$2, and if said protest is not sustained the said amount will be retained by the Association.

24. All protests to be made in writing as soon as possible, so that the judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that the exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is often occasioned by protests of a frivolous nature.

25. The Society will not be responsible for any loss, damage or accident occurring to any person or property on the grounds during the Fair. The Directors hope patrons of the Fair will obey orders. The Society will take all reasonable care of exhibits, but will not be responsible for any loss or damage.
