## Rules and Regulations

1. That competition for the following prizes be open to the world, except when otherwise specified in the Prize List:
2. The annual membership fee if paid on or before Thursday, October 6, 1921, will be \$1.00; after that date \$1.50 will be charged. Each exhibitor must purchase a Member's Ticket before making entries, a registered firm being recognized as one exhibitor. If Member's Fees is not enclosed entries will be refused.
3. That grain, seeds, roots, vegetables, horticultural products, plants, flowers, dairy products, agricultural implements, domestic manufactures, ladies' work and fine arts must be on the ground and put in order at 10 a.m. on the first day of the Fair—Thursday, October 6—and to remain until 4 p.m. on the second day.
4. Poultry must be on the grounds and put in order before 12 o'clock (noon) on the first day of the Fair and remain until the close of the exhibition on Friday, October 7, at 4 p.m.
5. Admission to the grounds 50 cents each time; children under 12 years, 25 cents.
6. All buggy horses not intended for exhibition driving on the grounds will be charged 50 cents, teams 75 cents, and each person in vehicle 50 cents; admission to the grand stand 25 cents.
7. All articles of manufacture, including ladies' work, must have been manufactured during the present year.
8. Not less than one bushel of each kind of grain must be shown unless otherwise specified in the Prize List, and the grain and roots must be the growth of 1921 and grown by the competitor, except clover seed, which may be the growth of 1920.
9. All produce to be the growth of parties exhibiting the same.
10. No member will be allowed to make more than one entry in each case for Society's Prizes with the same animal or article unless otherwise specified. This rule not to apply to animals in herds or pens, nor to special prizes offered by persons outside the Society, but to apply to all kinds of grains, seeds, flour, roots and vegetables, dairy products, domestic manufactures and horticultural products, in which additional specimens would necessarily be similar to the first.
11. None but manufacturers or their agents must exhibit agricultural machinery.
12. No entries to be removed from the Drill Hall or Root and Vegetable Hall until 4 p.m. of the second day of the Fair.
13. Every animal, fowl, article, product or chattel exhibited must be the actual bona fide property and belong absolutely to the person or persons entering or exhibiting the same. In the case of every article, product or chattel exhibited, other than live stock, the said article, product or chattel must be of the actual production, growth or manufacture, as the case may be, of the person or persons owning or exhibiting the same, except specially mentioned in the list.
14. That no person be allowed to ride or drive horses on the grounds faster than a walk, except when shown or ordered to do so by the Judges, under penalty of immediate removal from the grounds.

15. The exhibitor's name must not be on the bag, etc., in which his produce is exhibited.
16. That no person be allowed to attach any prize or badge obtained at other fairs on any animal or article exhibited until after the judges have made their awards.
17. That all articles entered for competition must be entered in strict accordance with the Prize List in order to secure a prize, the exact number and quantity stated in the Prize List being strictly adhered to.
18. That every bull must have a ring in its nose; horses, colts, cows and calves to be led on the grounds and be secured by the head, and pigs and sheep confined in pens, and that owners shall comply with such minor regulations for their safe custody and fair and complete exhibition, as the Committee of Management may suggest.
19. That the exhibitors of horses, cattle and sheep do bring them forward when called upon by the Directors, otherwise they will not be noticed.
20. No competitor will be entitled to a premium if the Judges deem the stock or article unworthy of the same.
21. Any person interfering, by conversation or otherwise, with the Judges until after judgment is passed, shall have no prize awarded him.
22. Judges will please sign and hand in their list of awards to the Secretary, and remain until their books have been signed by the Secretary, in order that cases of error or doubt may be more promptly and easily made right, and they are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in their department.
23. Any exhibitor or interested person making a protest will be required to make a deposit of \$2. and if said protest is not sustained the said amount will be retained by the Association.
24. All protests to be made in writing as soon as possible, so that the Judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that the exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is often occasioned by protests of a frivolous nature.
25. The Society will not be responsible for any loss, damage or accident occurring to any person or property on the grounds during the Fair. The Directors hope patrons of the Fair will obey orders. The Society will take all reasonable care of exhibits, but will not be responsible for any loss or damage.
26. Notice is hereby given that any kind of gambling, theatricals, circus or mountebank performances, exhibitions or shows; also the bucksterning or trafficking in spirituous or intoxicating drinks are not allowed within 300 yards of the exhibition grounds, and that 31 Vic., Cap. 29, clauses 56, 57 and 58, relating thereto, will be enforced if any deviations from the regulations occur.
27. Whilst every possible assistance will be most cheerfully given in placing exhibits, no package or case of any kind whatsoever will be opened unless accompanied by the exhibitor or some one sent specially in charge.
28. Tickets will be placed on the work that has been exhibited before, or is entered in the wrong class, with the words "Ruled Out."

29. Ages of Beef Cattle will be calculated from September 1; Dairy Cattle, August 1.

30. Horses shown in the Carriage and Road Double Classes cannot be shown in the Single Carriage and Road Classes.
