REG. M. HUDSPETH

Secretary-Treasurer of the Caledonia Agricultural Society.

G. B. MARTINDALE

President of the Caledonia Agricultural Society.

In presenting the 1947 Prize List, the management and directors of the Caledonia Agricultural Society take great pride in maintaining the high standards set by the founders of the Caledonia Fair, 75 years ago.

We gratefully acknowledge the splendid co-operation of the municipalities, organizations and friends, both near and far, who by their interest, donations and active participation have made a successful fair possible.

The extensive improvements made in the fair grounds this year, not only add to the appearance of the grounds, but also to the comfort of all who attend.

You will find further changes in the Prize List and can best show your approval by a large entry in all classes. As well as changing the Prize List to keep pace with modern tastes, the lady directors under the leadership of Mrs. Norman Hyslop have arranged interesting displays in the Exhibition Hall.

extend to one and all a very hearty invitation to attend the Fair on October 2, 3 and 4. Come and bring your family and friends; enter as many of the classes as possible and yourself at Caledonia, Haldimand's only county fair.

- 29 That no person be allowed to attach any prize or badge obtained at other fairs on any animal or article exhibited until after the judges have made their awards.
 - 30 Judges for each day will be at the Secretary's Office on the grounds at 12 a.m.
 - 31 Judging will commence at 12 o'clock noon, October 2nd, and 1 p.m. on October 3rd, and 12 o'clock noon on October 4th.
 - 32 The members of the different committees will be on the grounds at 9 a.m. each day.
 - 33 No competitor will be entitled to a premium if the judges deem the stock or article unworthy of the same.
 - 34 Any person interfering by conversation or otherwise, with the Judges until after judgment is passed, shall have no prize awarded him.
 - 35 Judges will please sign and hand in their list of awards to the Secretary, and remain until their books have been signed by the Secretary, in order that cases of error or doubt may be more promptly and easily made right, and they are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in their department.
 - 36 Any exhibitor or interested person making a protest will be required to make a deposit of \$2., and if said protest is not sustained the said amount will be retained by the Association.
 - 37 All protests to be made in writing as soon as possible, so that the judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that the exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is often occasioned by protests of frivolous nature.
 - 38 Notice is hereby given that any kind of gambling, theatricals, circus or mountebank performances, exhibitions or shows; also huckstering or trafficking of spirituous or intoxicating drinks are not allowed within 300 yards of the exhibition grounds, and that 31 Vic., Cap. 29, Clauses 56, 57 and 58, relating thereto, will be enforced if any deviations from the regulations occur.
 - 39 Should rain or some other cause materially cut the gate receipts, Caledonia Agricultural Society reserve the right to pay prize money only to the extent of their cash resources.
 - 40 In case an error occurs in the printing of the Prize List, the Directors have the power to rectify the same.
- REGULATIONS RE TRIALS OF SPEED**
- 1 Each event will have three heats and each heat will be a race.
 - 2 Not more than a 50% payment on prizes awarded for trials of speed shall be made, before all prize winners in Agricultural Classes shall have received at least 50% payment on prize accounts.

Three Proven Livestock Specialties

That Improve Health and Increase Production

1 REX WHEAT GERM OIL

REX OIL is used everywhere by owners of livestock, poultry, fur-bearing animals and petstock because it converts non-productive stock into profit makers. REX OIL corrects shy breeding, prevents misses, abortion and sterility; livens up stud animals and overcomes many common non-organic breeding problems—it is the greatest known breeding aid.

REX OIL is made from select Canadian wheat embryo by an exclusive cold-solvent process and contains chemical and biologically active factors not found in any other wheat germ oil. REX OIL will not go rancid or lose its potency . . . It is always "fresh" and active . . . it is guaranteed to give results or money will be refunded.

4 ounces treats one cow or heifer or two sows.
4 oz. \$1.25. 20 oz. \$5.00 40 oz. \$8.00

2 "CALVITA" CALF SAVERS

A new but proven, practical and effective preventative treatment for Nutritional White Scours, pneumonia, rickets or other early calfhood ailments.

"CALVITA" CALF SAVERS provide in a convenient form mass quantities of Vitamins A, D and Nicotin, making it possible for the

breeder to supplement the feeding of his calves with these important factors during the vulnerable first three weeks of a calf's life.

Each box of "CALVITA" CALF SAVERS contains 21 capsules and is a complete treatment for one calf. Easily understood feeding directions are shown on each box. Full 21 day treatments, \$1.25.

3 RexAnD FEEDING OIL

A cold-cleared, free running base pilchard oil fortified with concentrated, stable Vitamin D and natural Vitamin A derived from shark liver oil. RexAnD Feeding Oil is biologically and chemically assayed and standardized. It is guaranteed to contain not less than 1500 Int. Units

Vitamin A per gram and 200 A.O.A.C. Units Vitamin D3 per gram. Packed for convenient handling in 1 and 5 gallon containers with complete feeding directions clearly shown. \$4.70 per imperial gallon. (Prices may vary slightly according to freight.)

**TWO
EXTRA VALUES
AT NO
EXTRA COST!**

FROST FENCE offers you all the points of any good fence *plus* two special Frost developments. First there is the **TIGHT LOCK** grip at every wire intersection, which positively prevents any slip between wires.

ZINC-BONDING is the second extra value in Frost Fence. Seeking a way to make protective galvanizing more permanent, Frost engineers developed this process which *bonds* the zinc coat firmly on to every part of each wire, so rust is prevented.

Ramble THROUGH THE Rideaus

Scores of lovely lakes lie in the country between Kingston and Smith's Falls

This historic inland waterway of the voyageurs has become one of Ontario's most popular vacation areas. Swimming, sailing and canoeing enthusiasts delight in its varied waters, and the fisherman, too, finds plenty of scope for his skill. North from Cornwall, Brockville or Kingston, off highway No. 2, brings you to this beautiful lake district of Eastern Ontario. For fuller details, write today to Ontario Holiday, Room 1004, Victory Building, Toronto.

TOURIST BUSINESS IS GOOD BUSINESS . . . FOR EVERY CITIZEN

We all profit when tourists come to our province or country. Even if you have no connection with hotels, oil companies or amusements, their increased business helps you. They and their employees have more money to buy your products or the ones your own customer sells. So it's in your interest to plan your holiday in Ontario, and to do all you can to encourage friends from other parts to come and share our Ontario Holidays.
