## **PRESIDENT'S MESSAGE**

It's hard to think about the Caledonia Fair without getting nostalgic. 146 is a lot of years of history and we are blessed with a rich heritage community support and shared memories. But equally exciting is what lies ahead in our future. Technology, communications, and changes in our population bring untold opportunities to our community. The Caledonia Fair is a reflection of this community, and this year's theme, "Looking Back, Moving Forward", gives us all a moment to hold on to the best of the past, and embrace the exciting promises of the future. This will be the final year with the current "Old Arena" acting as our Exhibition Hall, prompting all sorts of fond memories of the Fair and countless other events and occasions throughout the years. 2019 will be the first Fair with the "Riverside Exhibition Centre", and we are excitedly planning this new facility and grateful for all of the community support we have and will receive in years to come.

On behalf of the Caledonia Agricultural Society, thank you for your entries and participation in the Caledonia Fair. I hope this book will open your eyes to many possibilities and help build your excitement for our 2018 Fair. I'll see you at the 146th Caledonia Fair, the Fair of Your Memories.

18. All protests to be made in writing as soon as possible, so that the judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that all exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is occasioned by protests of a frivolous nature.
19. In case an error occurs in the printing of the Prize List, the Directors have the power to rectify the same.
20. In case of insufficient funds, due to weather or other conditions, the Society reserves the right to pay only a percentage of the prizes awarded for exhibits.

## CUT FLOWERS

All Cut Flowers must have been grown by the exhibitor. A bloom is defined as an individual flower, one to a stem, no buds. A spray is a portion of a plant with multiple blooms. A stem has one or more blooms or buds.

#### Tips for Conditioning to Prevent Wilting

*Information taken from the Ontario Judging and Exhibiting Standards for Horticultural and Floral Design, 2010*

- Place cut stems in a bucket of warm water for at least 3 hours, preferably overnight.
- Make a fresh, slanting cut, with the end of the stem under water, to maximize water intake.
- Re-cut stems before placing them in show containers.

Some cut flowers, foliage and woody materials do not absorb water well and need more treatment to prevent wilting.

- Ornamental branches may benefit from splitting the cut end. Some also need the thick outer layer removed.
- Some cut flowers that give off a white sap benefit from burning the stem (e.g. poppies).
- Some cut flowers benefit from placing stem ends in 2" (5 cm) of boiling water for 1-2 minutes, then placing them in cold water (e.g. dahlias, roses, rudbeckia). Protect the bloom with a paper collar.
