President of the Caledonia  
Agricultural Society

On behalf of the management and directors of the Caledonia Agricultural Society, I wish to extend to one and all a very hearty invitation to attend this our 75th Annual Fair.

We are indeed thankful for the many contributions and loyal support we have received from municipalities and from our many friends both rural and urban. May we say "Thank You," and express a deep desire for the same splendid support in the future and the continued success of our Fair will be assured.

The directors have made several important changes in the Prize List this year, that we hope will meet with the approval of all concerned. We take pleasure in referring you to it.

Come to the Caledonia Fair on October 3, 4 and 5. Bring your friends. Meet your friends there and enjoy a profitable and pleasant time with us.

- strict accordance with the Prize List in order to secure a prize, the exact number and quantity stated in the Prize List being strictly adhered to.
- 16 No member will be allowed to make more than one entry in each case for Society Prizes with the same animal or article unless otherwise specified. This rule not to apply to animals in herds or pens, nor to special prizes offered by persons outside the Society, but to apply to all kinds of grains, seeds, flowers, roots and vegetables, dairy products, domestic manufactures and horticultural products, in which additional specimens would necessarily be similar to the first.
  - 17 All produce to be growth of parties exhibiting same.

- 33 No competitor will be entitled to a premium if the judges deem the stock or article unworthy of the same.
- 34 Any person interfering by conversation or otherwise, with the Judges until after judgment is passed, shall have no prize awarded him.
- 35 Judges will please sign and hand in their list of awards to the Secretary, and remain until their books have been signed by the Secretary, in order that cases of error or doubt may be more promptly and easily made right, and they are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in their department.
- 36 Any exhibitor or interested person making a protest will be required to make a deposit of \$2., and if said protest is not sustained the said amount will be retained by the Association.
- 37 All protests to be made in writing as soon as possible, so that the judges in the class may be heard on it, as the Directors of the Society do not constitute a Board of Judges to hear complaints. The Directors earnestly hope that the exhibitors will not enter protests without strong grounds for doing so, as much annoyance and unpleasantness is often occasioned by protests of frivolous nature.
- 38 Notice is hereby given that any kind of gambling, theatricals, circus or mountebank performances, exhibitions or shows; also huckstering or trafficking of spirituous or intoxicating drinks are not allowed within 300 yards of the exhibition grounds, and that 31 Vic., Cap. 29, Clauses 56, 57 and 58, relating thereto, will be enforced if any deviations from the regulations occur.
- 39 Should rain or some other cause materially cut the gate receipts, Caledonia Agricultural Society reserve the right to pay prize money only to the extent of their cash resources.
- 40 In case an error occurs in the printing of the Prize List, the Directors have the power to rectify the same.

REGULATIONS RE TRIALS OF SPEED

- 2 Not more than a 50% payment on prizes awarded for trials of speed shall be made, before all prize winners in Agricultural Classes shall have received at least 50% payment on prize accounts.
- 3 Should it be found impossible to pay prize money in full, winners in "Trials of Speed Classes" shall not be given preference over winners in other Agricultural Classes in the percentage of prize money paid.

### THE ORIGIN OF THE NAME CALEDONIA

Caledonia was the name given by the Romans to the Northern part of Scotland and it is now the poetical name for all Scotland.

The origin of the word was probably derived from the Latin verb CELO, CELAIRE, meaning conceal.

The Caledonians were those who concealed themselves in woody shelters.

## Ontario Rural Fairs Serve Important Purpose

OVER 250 Rural Fairs are scheduled to be held in Ontario during 1946. It is impossible to exaggerate the part played by these exhibitions in the town and rural life of this Province.

Rural Fairs were maintained with creditable continuity during the war years, but an immediate post-war increase in their number is convincing evidence both of the service they render, and appreciation of their patrons.

They stimulate keen competition among men and boys for better livestock and better crops within their local areas; and promote community spirit by friendly competition among women and girls for excellence in handicrafts.

Still more important, Rural Fairs provide a medium for boys and girls—the young farmers of tomorrow—to develop their talents. At many of these well-organized, well-attended gatherings junior judges have astonished experts by their keen appraisal of the fine points of live stock, and their knowledge of the quality of field crops.

These are the young people upon whom the future of Ontario agriculture depends, and for whom Rural Fairs serve the invaluable purpose of arousing enthusiasm and stimulating a sincere desire for a broader knowledge of scientific agriculture.

TAKE TIRES . . .

FOR INSTANCE . . .

The "O-p-e-n C-e-n-t-r-e" tread of Goodyear Sure-Grip tractor tires gives stronger traction on any soil. The reason? There is no zig-zag centre rib to ride on to prevent getting a good deep, clean bite on the ground. Independent tests prove that unconnected open-centre lugs do up to 22% more work with less fuel in the same time. For complete details, see your local Goodyear dealer.
